Nominate a Student for the VALUE Program

Dear Faculty and Staff—

The Department of Leadership Studies is now accepting applications for the VALUE program's 2017-18 cohort!

If you know a student that would excel in this program, **you may nominate him/her the VALUE website (under Eligibility & Application)**. Please keep in mind that for a student to be eligible to the program, he/she must have completed the [Leadership Studies Certificate](#). After you have nominated a student, our department will reach out to him/her to share more about the experience.

We appreciate your assistance in helping recruit the brightest future leaders!

The Voss Advanced Leadership Undergraduate Experience (VALUE) is designed to develop the most promising undergraduates into powerful agents for good, during their educational experience at FHSU. It is a year-long curricular and co-curricular experience for upper-division students to enhance their operations and collaboration skills in one of three areas:

- Corporate leadership
- Civic/non-profit leadership
- Scholarship/leadership research

To assist in their journey, students are matched with a mentor in their chosen area to guide them through completing a project of their choice. Students will also enroll in two courses throughout the year-long program to connect theory and practice as they work toward the completion of their projects.

Through the VALUE program, students have opportunities to earn scholarships, engage in hands-on professional experiences, attend conferences, and develop a professional network with and through his/her mentor.

Only 10-15 students will be chosen for the VALUE program each year. For more information, visit <http://www.fhsu.edu/leadership/Value/>.

Student applications are due, [online](#), March 12, 2017.

Any questions about the VALUE program may be directed toward Kaley Klaus, director, at krklaus@fhsu.edu.
